WHAT HAPPENS IN THE MONTH OF MARCH

St. Patrick's Day

St. Patrick's Day observes of the death of St. Patrick, the patron saint of Ireland. The holiday has evolved into a celebration of Irish culture with parades, special foods, music, dancing and a whole lot of green.

MARCH

Meet our teacher

Names and surnames: Ewelina Kostrzeba

Position: IT teacher

What's your favourite colour?

-My favourite colour is silver.

If you could be any person for a day, who would you be?

-It's a hard question. Maybe Putin... I would like to end the war.

What makes you laugh the most?

-my children

What did you want to be when you were young?

-I always want to be a teacher.

If you could choose to do anything for a day, what would it be?

-I dream of traveling to Asia.

If you could have any exotic animal as a pet, which would it be?

- I think I would choose the koda. They have soft fur perfect for cuddling.

What's your favorite season?

- I love summer. It's holiday time so I can sleep as long as I want and spend a lot of time with my children. It is also an ideal time for swimming in the lake and spending time in nature.

What's the most beautiful place you've ever seen?

- Tallin - the capital of Estonia. I was captivated by the charming streets and the view of the sea.

What is your favorite food?

-Sushi, especially when it's on a boat

What's your favourite number?

- 6 - It's my lucky number.

Zespół Szkół Mechanicznych in Elbląg

We are pleased to introduce our school. The Mechanical School Complex is a secondary school located at Jana Amos Komeńskiego 39 Street in Elbląg, in the Warmian-Masurian Voivodeship. The Mechanical School Complex is one of the oldest schools in the city, founded in 1964. Currently, students can study in the following professions: mechatronics technician, mechanical technician, IT technician, automotive technician and logistics technician. We have a wide didactic base and great teaching staff. We put emphasis primarily on practical classes. We achieve high results in professional and matriculation examinations. We also maintain our position as the best technical school in Elbląg in the Perspektywy ranking (Srebrna Szkoła 2023). We take part in competitions, in which we can also boast of numerous successes. Our students took part in : "Masters of Knowledge about Elbląg", won the "PROJEKT - SCHOOL" competition, advanced to the central stage of the "Know your rights at work" competition, and also got to the final of the Board Games Olympics of the Institute of National Remembrance, winning the regional stage this school year. Volunteering is active at the school. Young people regularly visit the Elbląg animal shelter. We became a virtual guardian of dogs Diego, Roki and cat Fabi. We participate in the following actions: "Don't hit me, love me", "Szlachetna Paczka", WOŚP. Sport is also our strength, as evidenced by the high positions we achieve in the final ranking. After school, young people enjoy spending time in the school library, taking part in e.g. in literary fortune-telling, reading classes and thematic competitions. During breaks, students borrow books, are in the reading room, learn, and do their homework. Young people also have the opportunity to act in the Students' Self-Government, which is one of the school's governing bodies. In this way, they really participate in the life of the school and influence its functioning. We take part in numerous workshops, conferences, fairs, field and trips. We cooperate with the academic community. More about us:

Thank you for your attention 😊

10 niezwykłych szkół w Polsce: Zespół Szkół Mechanicznych w Elblągu

Z przyjemnością przedstawiamy naszą placówkę. Zespół Szkół Mechanicznych jest szkołą ponadpodstawową, która znajduje się przy ul. Jana Amosa Komeńskiego 39 w Elblągu, w województwie warmińsko-mazurskim. Zespół Szkół Mechanicznych jest jedną z najstarszych szkół w mieście, istnieje od 1964 roku. Aktualnie uczniowie mogą kształcić się w zawodach: technik mechatronik, technik mechanik, technik informatyk, technik pojazdów samochodowych oraz technik logistyki. Posiadamy szeroką bazę dydaktyczną oraz wspaniałą kadrę pedagogiczną. Kładziemy nacisk przede wszystkim na zajęcia praktyczne. Osiągamy wysokie wyniki egzaminów zawodowych i maturalnych. Utrzymujemy również swoją pozycję najlepszego elbląskiego technikum w rankingu Perspektyw (Srebrna Szkoła 2023). Bierzymy udział w konkursach przedmiotowych, w których również możemy pochwalić się licznymi sukcesami. Nasi uczniowie w bieżącym roku szkolnym zostali m.in. "Mistrzami Wiedzy o Elblągu", wygrali konkurs "PROJEKT - SZKOŁA", awansowali do etapu centralnego konkursu "Poznaj swoje prawa w pracy", a także dostali się do finału Olimpiady Gier Planszowych IPN, wygrywając etap regionalny. W szkole prężnie działa wolontariat. Młodzież systematycznie odwiedza elbląskie schronisko dla zwierząt. Zostaliśmy wirtualnym opiekunem psów Diego, Roki oraz kotki Fabi. Uczestniczymy w akcjach: "Nie bij mnie, kochaj mnie", "Szlachetna Paczka", WOŚP. Również sport stanowi naszą mocną stronę, o czym świadczą wysokie pozycje, które osiągamy w rankingu ostatecznym. Po lekcjach młodzież chętnie przebywa w bibliotece szkolnej, biorąc udział m.in. w literackich wróżbach andrzejkowych, zajęciach czytelniczych oraz konkursach tematycznych. W czasie przerw uczniowie oprócz wypożyczania książek korzystają z czytelni, uczą się, odrabiają lekcje. Młodzi ludzie mają też możliwość działania w Samorządzie Uczniowskim, który stanowi jeden z organów szkoły. W ten sposób realnie uczestniczą w życiu szkoły i wpływają na jej funkcjonowanie. Bierzymy udział w licznych warsztatach, konferencjach targach, wycieczkach przedmiotowych. Współpracujemy ze środowiskiem akademickim.

Travel around the world

Ireland, country of western Europe occupying five-sixths of the westernmost major island of the British Isles. Ireland's capital is Dublin, a populous and affluent city whose metropolitan area is home to more than one-fourth of the country's total population. Although Ireland was invaded and colonized within historical times by Celts, Norsemen, Normans, English, and Scots, there are no corresponding ethnic distinctions. Ireland's climate is classified as western maritime. Ireland was almost completely covered by glaciers during the Ice Age, and its plant and animal life are thus mainly—but not entirely—the result of the subsequent migration of species from other areas. As long as there was a land connection between Ireland and what was to become the rest of the British Isles, most species arrived overland from northern Europe. Irish plant and animal life nevertheless possess certain unique features owing partly to climatic conditions and partly to the fact that Ireland became separated from Britain by the Irish Sea sometime before Britain itself became separated from the European continent.
